Subject: Finch Robot Loan Program - Congrats!  
To: Kay Bell <[kbell@ferrisisd.org](mailto:kbell@ferrisisd.org)>

Hi Kay,

Thank you for your interest in Birdbrain Technologies and for applying to our Finch Robot loan program. We are happy to tell you that you have been awarded a loan of Finch Robots!

**We would like to loan you 15 Finch robots twice this school year. First in August, September, and October, and then again in June 2020. [Please fill out this address form](#) so we know where to send your robots.**

In preparation for having the Finch Robots you can browse our [website](#) for curriculum ideas and other classroom resources. Click through to our [learning portal](#), choose your preferred device and software, and see free step-by-step lessons and activities for using the Finch.

We encourage you to document the activities you use with your students and share them with us, so we can continue adding suggestions for other teachers who hope to engage their students with the Finches.

If you use social media we'd love it if you included [@birdbraintech](#) or [#finchrobot](#) so we can follow along with your explorations with the Finch robots!

Let us know if you have any questions.

Thanks,  
Aparna

**Aparna Brown, Ph.D.**
